

## **New APA Member Services Website**

You can have access to your stats, schedules, rosters and more by creating an account at <http://members.poolplayers.com> or create an APA Member Account using the "Create Account" link at the top of any of the pages of this website. It's FREE and takes just a few minutes.

When you create your account:

- Your name, birth date and email address must match what we have on file for you, so if you encounter any difficulties, please contact us to verify that we have your correct info.
  
- You will also need your 8-digit membership number. Your 8-digit # is printed on your APA Membership Card. Your member number is 632 plus the 5-digit number you see on your scoresheets. 632 signifies that you are a member of the Midwest Illinois AREA chapter of the APA. It does not print on your local score sheets since all LOCAL AREA members' numbers begin with 632.
  
- You will receive a confirmation email once your account has been set up. If you do not receive the email in your inbox, please check your spam folder to see if it was misdirected by your email server as spam. You will need this email to confirm your account.
  
- Open the email and click the link to confirm your account.

Once you have created and confirmed your account, log in to your APA account using the "Log In" link at the top of any of the pages of this site and then select "Online Member Services" from the left menu, which will take you to your Member Page.

- To access stats, standings, rosters and schedules, select "stats" from the top menu.
  
- You will also have the ability to print off your membership card, update your membership profile and see your membership, team and tournament history.

***Note: We are working closely with the APA National Office to improve the services rendered in the Member Services site. It is still a work in progress and we ask for your patience as we help them make improvements. Thanks!***
